

Voice of Change

Mason Proffit

CHORUS:

Hear the Voice of Change, hear the winds of movin' on...
hear the
song of not the same thing, hey...Hey, you there in the tie, let me
bend your ear if that's okay..
you've been sitting there staring at the
ground for almost three days,
ain't sure what I'll say, but I'm thinkin'
about the people givin' orders...CHORUS:Hear the Voice of
Change, hear the winds of movin' on...
hear the song of not the same thing,
hey...Hey, Business Man, you're turnin' t' give me a sideways
glance every now and then,
but now your kind is in the papers,
you've got
to think now friend,
how does that grab your signed-up majority,
are you
worried about the people giving orders?CHORUS:
Hear the Voice of
Change, hear the winds of movin' on...
hear the song of not the same thing,
hey...Hey friend, you don't have to be silent anymore,
things do
affect you you know, things like pollution, tax and wars -how would you
like to have your healthy kid die of suffocation
on the
streets?You'd better talk to people giving
orders...(Yeah...)CHORUS:
Hear the Voice of Change, hear
the winds of movin' on...
hear the song of not the same thing,
hey...(repeat chorus twice with drum bridges and guitar leads in
between)
