## Slaughterhouse

All the ugly people be quiet  
All the ugly people be quiet I got a house full of bitches, niggas, it is going down  
Imma hold my own, yeah  
Bitches laying on the floor like its a crack house

Have you on pills, on 'shrooms  
Have you feeling like oh-la-la-laa  
Now its sounding like Lauryn Hills in your dorm room  
Spit at me wrong, get hit with my new llama  
Itll knock him out his shoes  
Dropping more niggas then who dropping out of school  
Slaughterhouse gang, streamers, confetti  
The squeamish had better get ready, because I got a house full of bitches, niggas, it is going down

Show her 12 bedrooms, still theres more house left  
(Titty in my left hand  
Drunk as a freshman on his tenth keg stand)  
Got a sophomore, all jaw, give me drunk head  
Roommate joined in, climbing down from the bunk bed  
(Yeah) Matter of fact (No)
