

Psycho

Muse

Advisory - the following lyrics contain explicit language:

Love, it will get you nowhere
You are on your own
Lost in the wild
So come to me now
I could use someone like you
Someone who'll kill on my command
And asks no questions I'm gonna make you
I'm gonna break you
I'm gonna make you
A fucking psycho
A fucking psycho
A fucking psycho
Your ass belongs to me now Are you a human drone?
(Aye, sir!)
Are you a killing machine?
(Aye, sir!)
I'm in control, motherfucker, do you understand?
(Aye, sir!) Your mind is just a program
And I'm the virus
I'm changing the station
I'll improve your thresholds
I'll turn you into a super drone (super drone)
And you will kill on my command
And I won't be responsible I'm gonna make you
I'm gonna break you
I'm gonna make you
A fucking psycho
A fucking psycho
A fucking psycho
Your ass belongs to me now Are you a psycho killer? Say "I'm a psycho killer!"
(I am a psycho killer!)
Scream it!

(I am a psycho killer!)
Show me your war face!
(Ah!)
You are a pussy! I said show me your war face!
(Ah!)I'm gonna make you
I'm gonna break you
I'm gonna make you
A fucking psycho
A fucking psycho
A fucking psycho
Your ass belongs to me nowYour ass belongs to me now
Your ass belongs to me now
