

Is It Love

[iio](#)

I never knew a love
A love that could be sweeter
No matter what my mind says
Your music gives me fever The moment that we danced
Your arms felt like a cradle
And when you took my hand
I was no longer able It never felt so right before
I need to be with you much more
I can't believe this kind of fate
We can runaway Is it love?
I'm always in a spell
Even when I sleeping
You're always on my mind I hope that I'm not dreaming
If I am let me stay asleep
Don't wake me up I feel complete
I never want to feel it end What a lovely moment
I wanna give you my love
Overtime I wanna make love to you
Overtime I wanna be right next to you
Overtime I wanna be in love with you
Overtime
