

Love Is a Crime

Anastacia

Ooh, yeah, Chicago
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me to life
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me, sentence me to life
Some might say, I'm guilty of love in the first degree
If the jury wants to lock me up and throw away the key
There's no greater punishment than what I face inside
Won't tamper with the evidence 'cause there's nothing to hide
He lives inside my heart, I'm in the middle too
You never had a clue, unless you felt it too
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me to life
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me, sentence me to life
Swear to tell the truth, to let me plead my case
The thief who stole my heart from me, I couldn't let escape
He's my only alibi but I won't drop a dime
So how can I give up to you my partner in crime
He lives inside my heart, I'm in the middle too
You never had a clue, unless you felt it too
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me to life
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me, sentence me to life
You can take away my freedom but you can't take my love from me
I won't die a lonely prisoner 'cause my heart will set me free
Oh oh oh, yeah, ooh, Chicago
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me to life
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me, sentence me
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me to life
If love is a crime baby, I'd do my time
Whether it's wrong or right, you can sentence me, sentence me to life
