

Inspiration (Cecem Remix)

[Ian Van Dahl](#)

When your dreams are lost and blown away and you need someone to make your day I'll be your inspiration

I'll be your inspiration

If there comes a time your hope is gone and you need some help to carry on I'll be your inspiration

I'll be your inspiration

'Cause when you look into my eyes You can see there's no disguise

Don't be afraid To need someone You don't have to be alone

Don't be afraid To need someone You don't have to be alone
