

Coat of Arms (World War Tour 2010)

Sabaton

At dawn envoy arrives, morning of October 28th
No day proven by deed, descendants of Sparta, Athens and Crete
Look north, ready to fight, enemies charge from the hills
True arms facing defeat, there's no surrender, there's no retreat
Time after time, force their enemies back to the
line
Call to arms, banners fly in the wind
For the glory of Hellas
Coat of arms reading Freedom or Death
Blood of King Leonidas
Air raid pounding the land, bombers are flying both day and night
Endure 6 days of rain dropped by invaders, bomb raid in vain
Strike hard, the tables have turned, drive them back over the hills
At arms just like before, soldiers, civilians, Hellas at war
By their own hand, forced their enemy out of their
land
Call to arms, banners fly in the wind
For the glory of Hellas
Coat of arms reading Freedom or Death
Blood of King Leonidas
Just like their ancestors ages ago
Fought in the face of defeat
Those 300 men left a pride to uphold
Freedom or death in effect
Then, now again, blood of heroes saving their land
Call to arms, banners fly in the
wind
For the glory of Hellas
Coat of arms reading Freedom or Death
Blood of King Leonidas
Call to arms, banners fly in the wind
For the glory of Hellas
Coat of arms reading Freedom or Death
Blood of King Leonidas
