

# The serpent and the pentagram

## Necromantia

Spiritual bonds and scared oaths  
Malevolent spells carved on pagan flesh  
Paranormal symbolism of chaos  
And the serpent crawling in dark paths  
In the mirrored chateau of the worm  
Daimonia dance in pentagrams  
And a sumerian wizard's chanting  
Mental spellbinding rhapsodies  
The serpent is now fire  
And the pentagram is one  
Visions stream from ruined temples  
Where shapeshifting witches fornicate  
Poisoned by the ruby elixir  
Made by the dreams of burning infants  
Like profane whispers to the moon  
Are the secret ways the ravens pray  
A carmine litany in reverse  
For the spirits of the unpure  
Typhona, leviathan, jormungand, tiamat  
Bless me with your venom  
And touch me with your soul
