

# Changeling

## Simple Minds

Overground  
Underground  
Pulsating through  
Street Parade  
Day arcade  
No cloning you  
Uniform  
Won't conform  
Hero who dies  
Find a boy  
Kill a toy  
Get no reply  
Changeling  
Well changeling for you  
They're coming out of you Vision  
Lost  
Out of control  
Lost Down in the club  
Beau bells can ring  
Look good in blue  
Help me to sing  
Expose  
Fade away  
Contact erased  
Call a friend  
Tailor made  
Do as I say Changeling  
Well changeling for you  
They're coming out of you Vision  
Lost  
Out of control  
Lost Overground  
Underground  
Overground  
Underground Down in the club  
Down in the club  
Down in the club
