

What I Go to School For

Jonas Brothers

Her voice is echoed in my mind
I count the days till she is mine
Cant tell my friends cause they will laugh
I love a girl from senior class I daydream through freshman math
She fills out her college apps
Ill show her a world where we belong
But shell have to drive us to the prom Thats what I go to school for
Even though it is a real bore
You can call me crazy
She is so amazing Thats what I go to school for
Even though it is a real bore
Girlfriends Ive had plenty
But shes the one that I need Thats what I go to school for
Thats what I go to school for Her boyfriends just turning nineteen
But that doesnt bother me
Hes back at college, out of town
I find a reason to go 'round I climb a tree outside her home
To make sure that she is alone
She looks up and sees me there
Still I can't help but stop and stare Thats what I go to school for
Even though it is a real bore
You can call me crazy
She is so amazing Thats what I go to school for
Even though it is a real bore
Girlfriends Ive had plenty
But shes the one that I need Thats what I go to school for
Thats what I, what I, what I go to school for Everyone that you see all day knows
Youre looking at me in a different way
I guess thats why my marks are getting so high
I can see those tell tale signs Telling me that I was on your mind
I could see that you want it more when you told me
That Im what you go to school for
Im what you go to school for Shes made her choice and Im the one
At least til Graduation comes
We drive past school to wave goodbye
My friends they cant believe their eyes Thats what I go to school for
Even though it is a real bore
You can call me crazy
She is so amazing Thats what I go to school for

Even though it is a real bore
Girlfriends Ive had plenty
But shes the one that I needThats what I go to school for
Thats what I, what I, what I go to school for
