Shame On You

The Fuzztones

Once upon a midnight
I made love to you
But you know (but you know/ but you know) you've found another, babe
And you know (and you know/ and you know) that we're all through
SHAME! Shame on you baby / SHAME! That you told me lies
SHAME! Well, you cheated me baby / SHAME! Out with other guys
Lyin' little bitch - you oughta be ashamed of yourself!Now - It's hard to turn down, the magic that you do
You know (you know / you know) you want it babe
And you know (and you know / and you know) I want it to
SHAME! Shame on you baby / SHAME! That your so distraught
SHAME! Well, you cheat on me baby / SHAME! You better never get caught
Lyin' little bitch - you oughta be ashamed of yourself!
Now - When it turns midnight
Well I'll still make love to you
But you know (but you know/ but you know) you've found another, babe
And you know (and you know/ and you know) that I will too
SHAME! Shame on you baby / SHAME! That you told me lies
SHAME! Well, you cheated me baby / SHAME! With other guys
SHAME! That your so distraught
SHAME! Well, you cheat on me baby / SHAME! You better never get caught
Lyin' little bitch - you oughta be ashamed of yourself!
