

Two Hearts

Max Changmin

Well, there was no reason to believe she'd always be there
But if you don't put faith in what you believe in
 It's getting you nowhere
 'Cos it hurts, you never let go
 Don't look down, just look up
'Cos she's always there to behind you, just to remind you
 Two hearts, believing in just one mind
You know we're two hearts believing in just one mind
 Well, there's no easy way to, to understand it
There's so much of my life in her and it's like I'm blinded
 And it teaches you to never let go
 There's so much love you'll never know
 She can reach you no matter how far
 Wherever you are
 Two hearts, believing in just one mind
 Beating together till the end of time
You know we're two hearts believing in just one mind

 Together forever till the end of time
 She knows
There'll always be a special place in my heart for her
 She knows, she knows, she knows
 Yeah, she knows
 No matter how far apart we are
 She knows, I'm always right there beside her
 And we're two hearts, believing in just one mind
 Beating together till the end of time
You know we're two hearts believing in just one mind
 Together forever till the end of time
You know we're two hearts believing in just one mind
 Beating together till the end of time
 We're two hearts believing in just one mind
 Together forever till the end of time
