Christmas Promise

Drake Bell

There's Christmas magic here
And there's one thing I know
I'm already there
Just look around you feel it everywhere you go 'Cause it's a new year
It's on the way
Special dreams for all who say
That it's Christmas, so promise that you'll staySleigh bells are ringing with just one thing on my mind
I'm over the snow
We should be here together 'cause it's Christmas time
So how could you go
So far away?
You should be here, so I can say
That it's Christmas, so promise that you'll stay(It's Christmas) Promise that you'll stay It's Christmas
Is that a reindeer landing on the roof above?
I'm m letting it in
This Christmas let's remember kindness, joy and love
And when you move in
I have to say
It's been a while, but that's okay
'Cause it's Christmas, so promise that you'll stay(It's Christmas) Promise that you'll stay It's ChristmasMerry Christmas, Merry Christmas
Merry Christmas, Merry ChristmasI don't want some fancy present all I want is you
So how could I be
Alone at Christmas time when all you need to do
Is listen to me
Let's find a way
To get it right, for one more day
'Cause it's Christmas, so promise that you'll stay
(It's Christmas) Promise that you'll stay
(It's Christmas) Promise that you'll stay
(It's Christmas) Promise that you'll stay
It's ChristmasSo Stay (It's Christmas)
Promise that you'll stay (It's Christmas)
Promise that you'll stay (It's Christmas)
It's Christmas
