Meet Me Halfway

Black Eyed Peas

I can't go any further than this

I want you so badly, it's my biggest wishI spent my time just thinking thinking thinking bout you

Every single day yes, I'm really missin' missin' you

And all those things we use to use to do

Hey girl, whats up, it use, it use to be just me and you

I spent my time just thinking thinking thinking 'bout you

Every single day, yes I'm really missing missing you

And all those things we use to use to do

Hey girl whats up, whats up, whats up, whats upCan you meet me halfway, right at the borderline

Is where I'm gonna wait, for you

I'll be looking out, night n' day

Took my heart to the limit, and this is where I stay

I can't go any further than this

I want you so bad it's my only wishGirl, I travel round the world and even sail the seven seas

Across the universe I go to other galaxies

Just tell me where to go, just tell me where you wanna to meet

I navigate myself myself to take me where you be

Cause girl I want, I, I, I want you right now

I travel uptown town I travel downtown

I wanna to have you around round like every single day

I love you alway' waysCan you meet me half way (I'll meet you halfway)

Right at the borderline

That's where I'm gonna wait, for you

I'll be looking out, night n' day

Took my heart to the limit, and this is where I'll stay

I can't go any further than this

I want you so bad it's my only wish

I can't go any further than this

I want you so bad it's my only wishLet's walk the bridge, to the other side

Just you and I (just you and I)

I will fly, I'll fly the skies, for you and I (for you and I)

I will try, until I die, for you and I, for you and I, for for you and I,

For for you and I, for for you and I, for you and ICan you meet me half way

Can you meet me half way

Can you meet me half way

Can you meet me half wayMeet me half way, right at the borderline

That's where I'm gonna wait, for you

I'll be looking out, night n' day

Took my heart to the limit, and this is where I'll stay

I can't go any further than this
I want you so bad it's my only wish
I can't go any further than this
I want you so bad it's my only wish
