

# Daddy Don't Live In That New York City No More

## Steely Dan

Daddy, don't live in that New York City no more  
He don't celebrate Sunday on a Saturday night no more  
Daddy don't need no lock and key  
For the piece he stowed out on Avenue D  
Daddy don't live in that New York City no more  
Daddy don't drive in that Eldorado no more  
He don't travel on down to the neighborhood liquor store  
Lucy still loves her coke and rum  
But she sits alone 'cause her daddy can't come  
Daddy don't drive in that Eldorado no more, no more  
Driving like a fool out to Hackensack  
Drinking his dinner from a paper sack  
He says, "I gotta see a joker  
And I'll be right back"  
No, my daddy don't live in that New York City no more, no more  
He can't get tight every night pass out on the barroom floor  
No, daddy can't get no fine cigar  
But we know you're smoking wherever you are  
Daddy don't live in that New York City no more, no more  
No, no, no, no no
