Cold Fish

Brad Vickers & His Vestapolitans

(K.J.Garside / C.Gray)Strip me down and bare my soul,
Cut my heart out,
Eat me whole,
Taunt and bait me, invalidate me.Cold fish,
In my little dish...Cast your hook and reel me in,
Faster more fast,
Break me in,
Castigate me, go on and make me.Cold fish,
Splish splish splish.
