

# Ribbons

## Oscar and the Wolf

we aren't grown  
but still we're moving  
do you see it all  
who we're becoming  
do you see it all  
now we'll start learning below my honor  
the arts/eyes unfold, to  
the arts/eyes will unfold  
to you and me  
we got in  
won't you show your skin and stay with me no false light  
now I need your hand until you want me  
your face left  
awake fish in the sea  
on my eyes  
complete and understood  
now now  
(the arts unfold  
the arts are will unfold  
to you and me  
unfold  
the arts unfold  
the arts unfold  
the arts unfold) and it's all about pretending  
so nothing really matters  
it's all unfolding to you and me  
and it's all about pretending  
so nothing really matters  
it's all unfolding to you and me and it's all about pretending  
so nothing really matters  
it's all unfolding to you and me  
(and it's all about pretending  
so nothing really matters  
it's all unfolding to you and me)(unfold  
the arts unfold  
the arts unfold  
the arts unfold  
to you)
