

Hydra

BigElf

I know that some day
The time will come
When I must rise up
 To be the one
And when I face him
 To be torn apart
 I'll just stand there
Who'll bleed my heart
 Who'll bleed my heart
 Who'll bleed my heart
Who'll bleed my heartI am the one you want to destroy
 You try to lure me out with your ploys
 I'll just stand there
 Who'll bleed my heart
 I'll just stand there
Who'll bleed my heartAnd if you try to slice off my head
 Don't you know two grow instead
 My blood's of the eternal flame
Don't you dare to even utter my nameLike a HydraI am the one they all seem to hate
 And when I come they lock up the gate
 I'll just stand there
 Who'll bleed my heart
 I'll just stand there
 Who'll bleed my heart
And if you try to slice off my head
 Don't you know two grow instead
 My blood's of the eternal flame
Don't you dare to even utter my nameImmaculate heart
 Immaculate soul
 Immaculate meaning you'll never grow old
 Immaculate dream
 Immaculate mind
 Immaculate words are etched in time
 Immaculate bone
 Immaculate blood
 Immaculate tears like a raging flood
 Immaculate birth
 Immaculate sun
 Immaculate calls you the chosen one
