

Life Is A Highway

Chris Ledoux

Life's like a road that you travel on
When there's one day here and the next day gone
 Sometimes you bend, sometimes you stand
 Sometimes you turn your back to the wind
There's a world outside every darkened door
 Where blues won't haunt you anymore
 Where the brave are free and lovers soar
 Come ride with me to the distant shore
We won't hesitate, break down the garden gate
 There's not much time left today

[Chorus]

Life is a highway
I want to ride it all night long
 If you're going my way
I want to drive it all night long

Through all these cities and all these towns
 It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the hands
 From Tennessee to those LA nights
 The San Antone' to Vegas lights
 Knock me down get back up again
You're in my blood I'm not a lonely man

There's no load I can't hold
Road so rough, this I know
I'll be there when the light comes in
 Tell 'em we're survivors

[Chorus: x2]

There was a distance between you and I
A misunderstanding once but now
 We look it in the eye

There's no load I can't hold
Road so rough this I know
I'll be there when the light comes in

Tell 'em we're survivors

[Chorus: x3]
