People

Nadia Ali

[Verse 1:]Why, oh why
Do people
Lie?
Where, oh where
Do people
Come from?
When they take you down
And they break you down
Into tiny pieces
As they watch you drown
[Chorus :]But I won't stop
But I won't stop
But I won't stop
I won't stop
[Verse 1:]Truth
Be known
I have died
And reborn

Their
Control
Won't trample
My soul
Cause I've made of stone
And I'm not alone
I would do it all again
Than to never know
[Chorus :]Cause I won't stop
Cause I won't stop
No I won't stop
I won't stop
Cause I won't stop
Cause I won't stop
No I won't stop
I won't stop
Cause I won't stop
Cause I won't stop
No I won't stop
I won't stop
