

# No Coincidence

## Kelly Rowland

Two distant hearts on a map both goin' no where fast  
Both late for an appointment, they end up together in a city cab  
They share a fare and some friendly conversation  
That's no coincidence, that's love  
She scrambles through her purse, he rushed in through the front  
Lookin' for change, there's a jukebox in the back of the restaurant  
They start to dance 'til this day they're still dancing  
That's no coincidence that's love  
It's amazing, it's perfection  
How each little bitty star makes up one big constellation of people  
Getting connected, it's truly Heaven sent, it's evident  
That love is no coincidence  
He snapped a photograph, she took a sonogram  
She didn't tell him he shipped off to war in a foreign land  
Left home a soldier but came back a father  
That's no coincidence that's love  
Somebody crashed her car, he's got a failing heart  
One thing can save them an operation, neither can afford  
But through visitation, two families get acquainted  
That's no coincidence that's love  
How we intertwine is divine  
(Extraordinary)  
Open your eyes and you'll find  
(It's involuntary)  
Seasons have reasons for changing  
(So that everybody)  
Can find love, lose love, find love again
