

# Gnaw

## Agoraphobic Nosebleed

[I]

A sharp snag,  
caught against  
in the snare  
guilt clutch cut  
a dead end  
stunt

Slow explosion.  
Give my early years back  
and I can begin  
Stretch the reject  
Punish, affect  
the wild wretch

I beg for better  
Gnaw  
scrape and scrawl

[II]

Tear and trap  
Knot  
Stump slaughter  
Sanity pulled  
taught  
pulled tight  
shot

Stamp slaughter  
knot  
Tear and trap
