

# Kahuna Sunset

## Neil Young

I remember long ago  
How I wondered where I'd go  
    While the blizzards,  
    Cold wind and snow  
Pounded outside my window.California sunset  
    Going down in the West  
    All the colors in the sky  
Kiss another day goodbye.Land of beauty,  
    Space and light  
    Land of promise,  
    Land of might  
You're my home now  
    And it's true  
California, here's to you.California sunset  
    Going down in the West  
    All the colors in the sky  
Kiss another day goodbye.California sunset  
    Going down in the West  
    All the colors in the sky  
Kiss another day goodbye.The golden state!
