

Some Kind Of Lover

Jody Watley

I never knew what I was missing
Love with no passion in the kissing
I can't explain it, how you made me open up
And you showed me things I never thought I'd do, ho
I'd hate to think of ever losing you
?Cause there is no one that makes me feel the way you doYou're some kinda lover
 Turn me on, turn me out
 You're some kinda lover
Make me feel, oh, so realHold me and tell me that you love me, ho
 Only with you is where I wanna be
 We'll light a candle as a symbol of our love
Then we'll move real close like in a perfect fantasy, oh
 I wish these moments could go on and on and on
But before you leave I want you to knowYou're some kinda lover
 Turn me on, turn me out
 You're some kinda lover, yeah
Make me feel, oh, so realAh...ah...ah...ah...
 Ho, whoa, whoa, whoa
 Ho
 YeahYou're some kinda lover
 Turn me on, turn me out
 You're some kinda lover, yeah
Make me feel, oh, so realYou're some kinda lover, yeah, yeahYou're some kinda lover
 Turn me on, turn me out
 You're some kinda lover, yeah
You make me feel, oh, so realYou're some kinda lover, ho
