Whether They Like It Or Not

Boy George

Everybody sing
I know, baby
One, two, three
I'm a total experience
Don't you walk in my way
I'm not one of those people
With nothing much to say
I'm here to get busy
I'm here to throw down
I'm here to tell you that
The boy is back in town
Oh I, I want to tell you something you don't know
Don't know about me
Oh, they, they are much too blind to ever know the truth
Why can't they see everybody sing
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people know
I can do what I wanna do
Whether they like it or not oh yeah
Satisfaction guaranteed
That's the way to go
Ain't no use in telling them
What they don't need to know
Some people are chilling
Some people are flyin'
That is what I'm telling you
Just don't believe the hype
Oh I, I want to tell you something you don't know
Don't know about me
Oh, they, they are much too blind to ever know the truth
Why can't they see
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not

I don't care what the people say
I don't care what the people know
I can do what I wanna do
Whether they like it or not
I still wanna wanna yeah oh yeah
I can do what I wanna do
Everybody sing
I can do what I want to do
Whether they like it or not
I can do what I wanna do
Whether they like it or not say
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
Whether they like it
Yeah yeah oh yeah
Whether they like it
I can do what I want to do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say

I don't care what the people do
I can do what I wanna do
Whether they like it or not
I don't care what the people say
I don't care what the people do
I can do what I wanna do
