

# Stand In The Storm

## Meat Loaf

This town splits right down the middle  
There's rich and poor, black and white  
Right down through the saints and the sinners  
And the ones who might  
This world is tough as a splinter  
There's ones that flinch and ones that fight  
Round here you can sure tell the difference  
'Tween the rocks and the rolling types  
I know I'm gonna stick with ya  
When the hard times hit  
Somebody's gotta stand in the storm  
In the lightning, when it pours  
Be strong enough to lean on  
Show you what a backbone's for  
Somebody's gotta stand in the storm  
Somebody's gotta stand  
Well, nobody likes a white flag quitter  
Leaves you there, tucks and runs  
Life's comin' and it hits like a hammer  
Kicks like a shotgun  
I ain't out here looking for trouble  
I'm no stranger to an uphill fight  
You need a hand when it all starts slipping?  
You can bet I'm-a hold on tight  
You know I'm gonna stick with ya  
When the hard times hit  
Somebody's gotta stand in the storm  
In the lightning, when it pours  
Be strong enough to lean on  
Show you what a backbone's for  
Somebody's gotta stand in the storm  
Somebody's gotta stand in the storm  
What?  
What?  
Okay  
Yeah yeah yeah yeah yeah  
So tough, I keep it rough  
Won't back down, I laugh at these clowns  
Me and my crew, we keep it Trump-tight  
Live yours boy, this is my life  
I stick my chest out so there's no doubt  
I had enough, no trust, win I must  
As I stomp through the rain  
The pain rushes through my vein  
But I still maintain, nah!  
Checked out, I'm off duty  
Insane like Busey  
Now who wants test we?  
Now see I'm the best at it  
You just like the rest at it

I'm sick like a meth addict  
But ain't no intervention  
Just your apprehension  
And then your dissension  
Shots to your dome  
Send you home  
Screaming no backbone That's how we show you what a backbone's for, baby  
Let's go! Somebody's gotta stand in the storm  
In the lightning, when it pours  
Be strong enough to lean on  
Show you what a backbone's for Somebody's gotta stand in the storm  
In the lightning, when it pours  
Be strong enough to lean on  
Show you what a backbone's for Somebody's gotta stand in the storm (somebody)  
Somebody's gotta stand in the storm Show you what a backbone  
Show you what a backbone  
Show you what a backbone  
Show you what a backbone's for Somebody's gotta stand in the storm (somebody)  
Somebody's gotta stand in the storm (somebody)  
Somebody gotta  
Somebody gotta, yeah Somebody's gotta stand in the storm
