No Way Out

Kevin Rudolf

Fuckers, it's settled
Yeah, all the train came trippin' through the station
This mad hatter he was beamin' at me
You cool cat, you think that you know me
I'm not the same person that I used to be
Your cards dealt, you're playin' 'em wrong, boy
And there's a few things that you need to know
I took the elevator up to the top
And I followed that rabbit all down the hole
I told my self I believed it, but who was I kiddin'?
Out of these eyes I could see it, but it's all a lie
The end is near, I can feel it, yeah, it's comin' around
And now there's no doubt, it's settled
And there's no, no way out, no way out
Switch got me caught up in a twister
I'm skippin' all down that yellow brick road
I said to the tin man, sorry, can't help you
They ripped my heart out a long time ago
And now I'm feelin' like the cowardly lion
I wanna break out but I'm paralyzed
The yellow bricks led me straight to the wizard
He said it's all your state of mind
I told my self I believed it, but who was I kiddin'?
Out of these eyes I could see it, but it's all a lie
The end is near, I can feel it, yeah, it's comin' around
And now there's no doubt, it's settled
And there's no, no way out
And there's no, no way out
And there's no, no way out
And now there's no doubt, it's settled
And there's no, no way out
No way out ya, yeah, oh, oh, oh, oh, oh
I told my self I believed it, but who was I kiddin'?
Out of these eyes I could see it, but it's all a lie
The end is near, I can feel it, yeah, it's comin' around
And now there's no doubt, it's settled
And there's no, no way out
Now there's no way, there's no way out
Now there's no way, there's no way out

Now there's no way, there's no way out
