

Sione Toki & Makisi - '#IJS (Keep It 100

Sione Toki

Lady

Tell me why you gotta be, complaining all the time

When all I do is love you, acting like I got a chick on the side

Well let me say, you ain't got no money, you ain't got no job, why I gotta be home for sit on my 95

I'm just saying oh no no keep it
