

Cock On the Loose

GG Allin

I got my cock on the loose
I got my cock on the loose
I got my cock on the loose I got my cock on the loose
I got my cock on the loose
I got my cock on the loose I got my cock on the loose
It's full of hot wet juice
I got my cock on the loose I got my cock on the loose
It's full of hot wet juice
I got my cock on the loose It's about to explode
I feel I'm gonna blow another load
I feel the fire burning in my pants
I feel I'm gonna blow my gland I got my cock on the loose
I got my prick on the loose
I got my cock on the loose I got my cock on the loose
I got my cock on the loose
I got my cock on the loose I got my prick on the loose
It's got hot wet juice
I got my prick on the loose I got my prick on the loose
It's full of hot wet juice
I got my cock on the loose It's cumming out of control
Well, it's as hard as a bullet and the bullet's about to blow
I gotta find a girl who wants to take a chance
I gotta put my cock to rest right in her hands Cock on the loose
Cock on the loose
Cock on the loose I feel it cumming out of control
Well, it's as hard as a bullet and the bullet's about to blow
I gotta find a girl who wants to take a chance
I'm gonna pull my pecker out of my pants I got my cock on the loose
I got my cock on the loose
I got my cock on the loose I got my cock on the loose
It's full of hot wet juice
I got my cock on the loose I got my prick on the loose
It's full of pecker juice
I got my cock on the loose I got my cock on the loose
I got my cock on the loose
I got my cock on the loose Well, I feel it's gonna explode
And I feel I'm gonna blow another load
I can't keep it in my pants
I feel it burning in my glands
