

# That Same Thing

## George Thorogood & The Destroyers

Why do men go crazy when a woman wear her dress so tight?

Why do men go crazy when a woman wear her dress so tight?

Must be the same old thing makes a tomcat fuss and fight  
Why do all of these men wanna chase a big legged woman down?

Why do all of these men wanna chase a big legged woman down?

Must be the same old thing makes a preacher lay his Bible down  
Oh, that same thing, oh, that same thing  
Tell me who is to blame

The whole world is fightin' about that same thing  
Why do all of these men wanna chase a big legged woman down?

Why do all of these men wanna chase a big legged woman down?

Must be the same old thing makes a drunk lay his whiskey down  
What make you feel so fine when your baby get dressed at night?

Make you feel so fine when your baby get dressed at night

Must be the same old thing makes a hound dog howl all night

Oh, that same thing, oh, that same thing

Tell me who is to blame

The whole world is fightin' about that same thing
