Supernatural

Sinnergod

Eyes shut, don't look
I feel you creeping up
My heart it beats in time with you
Your voice echoes inside these hollow walls
Haunted by distant memories
Although I see just what's become of me
The taste is all I need from you
My heart, it bleeds
I fall down to my knees
I feel the beat inside of youNo matter how I try I can't believe how this all ended
No matter all the times I wish that this weren't realIt's unnatural the way I feel inside
It's almost supernatural
How hard I try, I can't believe its real
It's almost supernaturalHey god its me
I don't like how I feel
I'd take this back if I could do
It's a mistake, I wish my soul for sale
Hating this thing inside of meNo matter how I try I can't believe how this all ended
No matter all the times I wish that this weren't realIt's unnatural the way I feel inside
It's almost supernatural
How hard I try, I can't believe its real
It's almost supernatural
