# Stay

## Lewis Watson

When I close my eyes I hear you singing
You're singing me a song that I'll forget
I always forget

I try to take myself back to sleeping
'cause you pick me up
but I let you down

Your words so clear but now it's gone
I couldn't keep my eyelids shut
Why can't you stay?
Stay...stay
If only I could dream we could start again [2x]

ooohhh... oooh

When I close my eyes I see you dancing
You're dancing me a song
just out and free, just out and free

I try to take myself back to sleeping
'cause you pick me up
I don' wanna let you down

Your words so clear but now it's gone
I couldn't keep my eyelids shut
Why can't you stay?
Stay...stay
If only I could dream we could start again [2x]
