

How I Do

Ne-Yo feat. Fabolous

We back at it baby
its loso in case you ain't know so
that boy Ne-yo
Chill out shorty we do this
You see i met her at a party the album release
I told her i switch dates like the album release
and when it come to the style im a beast
swagga is crazy
I should be in a asylum at least
& uhm I'm a gentleman I open the doors
so i'm opin in more than Oprah at 4
I does my thing and i hope you do yours
Cuz my shit is so dope
you wont cope with withdrawal?
They like nope we want more
Shorty i could sell it like i tell it
i should open a store
But i don't do the drama
really think ima come blow it up like a suicide bomba
might give you a wink
might send you a drink
Could be nothing
It might be what you think
And either way it play im still loso
had to give it to you baby
in case you didn't know so
Aghhhh
Ive got a few different women
Told you from the beginning
Girl don't act brand new
I tried to be honest said if so tell me why you trippin
you know how i do
why you callin screamin bout some place that i was seen in with somebody else
you really need to get a hold of yourself girl

Gives you the right to be all on my back

about the fact that

Ive got a few different women

Told you from the beginning

Girl don't act brand new

I tried to be honest said if so tell me why you trippin

Its all about honesty

So baby girl why you wanna trip on me
