

Bubbly

Colbie Caillat

Will you count me in? I've been awake for a while now
You've got me feelin' like a child now
'Cause every time I see your bubbly face
I get the tingles in a silly place It starts in my toes, and I crinkle my nose
Where ever it goes I always know
That you make me smile, please, stay for a while now
Just take your time wherever you go The rain is fallin' on my window pane
But we are hidin' in a safer place
Under covers stayin' dry and warm
You give me feelings that I adore It starts in my toes, make me crinkle my nose
Wherever it goes I always know
That you make me smile, please, stay for a while now
Just take your time wherever you go But what am I gonna say?
When you make me feel this way
I just, mmm And it starts in my toes, makes me crinkle my nose
Wherever it goes I always know
That you make me smile, please, stay for a while now
Just take your time wherever you go I've been asleep for a while now
You tucked me in just like a child now
'Cause every time you hold me in your arms
I'm comfortable enough to feel your warmth It starts in my soul, and I lose all control
When you kiss my nose, the feelin' shows
'Cause you make me smile, baby, just take your time now
Holdin' me tight Wherever, wherever, wherever you go
Wherever, wherever, wherever you go
Wherever you go I always know
'Cause you make me smile, even just for a while
