Leona

Sawyer Brown

Can I lean on you Leona?
Could I rest here for a while
Could I lean on you Leona?
Please help me make another mileCould I lean on you Leona?
Oh, would you help me till I'm strong
Could I lean on you Leona?
Till I can make it on my ownWell, you have been my rock for ages
The only truth I've ever found
And every time I've stumbled
You've picked me up on my way downOh, you have been my sanctuary
You've been my haven in the storm
And I've always found a shelter
Here, inside your loving arms
Could I lean on you Leona?Could I rest here for a while?
Could I lean on you Leona?
Please help me make another mile
Could I lean on you Leona?Would you help me till I'm strong?
Could I lean on you Leona?
Till I can make it on my own?You have always been my sunshine
When I'm running from the rain
Well, I know I'm wearin' out my welcome
Juss one more time, please ease the painCould I lean on you Leona?
Could I rest here for a while?
Could I lean on you Leona?
Please help me make another mileCould I lean on you Leona?
Would you help me till I'm strong?
Could I lean on you Leona?
Till I can make it on my ownCould I lean on you Leona?
Could I rest here for a while?
Could I lean on you Leona?
Please help me make another mile
