

# Leona

## Sawyer Brown

Can I lean on you Leona?  
Could I rest here for a while  
Could I lean on you Leona?  
Please help me make another mile  
Could I lean on you Leona?  
Oh, would you help me till I'm strong  
Could I lean on you Leona?  
Till I can make it on my own  
Well, you have been my rock for ages  
The only truth I've ever found  
And every time I've stumbled  
You've picked me up on my way down  
Oh, you have been my sanctuary  
You've been my haven in the storm  
And I've always found a shelter  
Here, inside your loving arms  
Could I lean on you Leona?  
Could I rest here for a while?  
Could I lean on you Leona?  
Please help me make another mile  
Could I lean on you Leona?  
Would you help me till I'm strong?  
Could I lean on you Leona?  
Till I can make it on my own  
You have always been my sunshine  
When I'm running from the rain  
Well, I know I'm wearin' out my welcome  
Juss one more time, please ease the pain  
Could I lean on you Leona?  
Could I rest here for a while?  
Could I lean on you Leona?  
Please help me make another mile  
Could I lean on you Leona?  
Would you help me till I'm strong?  
Could I lean on you Leona?  
Till I can make it on my own  
Could I lean on you Leona?  
Could I rest here for a while?  
Could I lean on you Leona?  
Please help me make another mile
