

# Hey We're Gonna Be Alright

## Jonas Brothers

Is'nt it strange  
Aint it a shame  
People walking down Broadway  
Beggin for change  
We just walk by  
Don't hear that they're crying  
We just keep on tappin on our two way  
Oblivious to other peoples pain  
Gotta open up our eyes  
Gotta read between the lines  
Gotta listen to the sound  
This is the life  
It's harder than it looks  
You never get enough  
The time keeps flyin  
In life, you only get one shot  
So give thanks for what you've got right now  
Don't you worry  
Hey, we're gonna be alright  
We're gonna be alright  
Gonna be alright  
hey hey hey hey  
You feel so alone  
Your problems at home  
They always seem to follow you wherever you go  
Caught in a daze  
You wish you could change  
But you always tell yourself  
That hope seems a million miles away  
Gotta wake up from your sleep  
  
Gotta stay awake to dream  
Gotta open your heart and believe  
Whoa  
This is the life  
It's harder than it looks  
You never get enough  
The time keeps flyin  
In life, you only get one shot

So give thanks for what you've got right now

Don't you worry

Hey, we're gonna be alright

We're gonna be alright

Gonna be alright

hey hey hey hey

1, 2, 3 yeah!

It's a roller coaster life

Up and down and side to side

Just shout to get it right

This is the life

It's harder than it looks

You never get enough

The time keeps flyin

In life, you only get one shot

So give thanks for what you've got right now

Don't you worry

Hey, we're gonna be alright

Hey we're gonna be alright

Gonna be alright

hey hey hey hey
