

# If I Don't Get Enough Of You

## Little Texas

If I don't get enough of you  
I can't think, I can't sleep  
If I don't get enough of you  
I can't eat, I get weak  
Without you there to hold me tight  
Well, I can't make it through the night  
I don't know what I'm gonna do  
If I don't get enough of you  
If I don't get enough of you  
I don't act like I should  
If I don't get enough of you  
It's a fact, I'm no good  
I'm bringing everybody down  
I ain't no fun to be around  
I don't like the man I turn into  
If I don't get enough of you  
You've done something to me  
It just took one touch  
Your love goes right through me  
And I can't get too much  
If I don't get enough of you

Get my time, get my share  
If I don't get enough of you  
Seems like life just ain't fair  
Why should I have to do without?  
You're all I ever think about  
Nothing else is gonna do  
If I don't get enough of you  
You've done something to me  
It just took one touch  
Your love goes right through me  
And I can't get too much  
If I don't get enough of you  
I can't think, I can't sleep  
If I don't get enough of you  
I can't eat, I get weak  
Without you there to hold me tight  
Well, I can't make it through the night

I don't know what I'm gonna do  
If I don't get enough of you  
You know I don't know what I'm gonna do  
If I don't get enough of you
