

Ring of Fire

Advisory - the following lyrics contain explicit language:

Fuck the rules
I got nothing to lose
Call me a fool
But I got nothing to prove If life's an ocean
I'm in the deep end
Swimming free from the fears that will drown me
Don't try to catch me if I jump in
And don't try to fix what's not broken. I won't stop I'm gonna live forever
Burn that off like nothing never matter
One really really takes me higher
Dancing in the ring of fire.
Show my eyes I know it's now or never
Ride or die, I let my heart surrender
Rise up out on the fire,
Dancing in the ring of fire. (Dancing in the ring of fire.
Dancing in the ring of fire.
Dancing in the ring of fire.
Dancing in the ring of fire.
Ring of fire, ring of fire,
ring of fire, ring of fire) Dancing in the ring of fire. Dancing in the ring of fire. Fuck the world
I don't need to be cured
I'll keep my word
I'm gonna walk where the lines burn. If life's an ocean
I'm in the deep end
Swimming free from the fears that will drown me
Don't try to catch me if I jump in
And don't try to fix what's not broken. I won't stop I'm gonna live forever
Burn that off like nothing never matter
One really really takes me higher
Dancing in the ring of fire.
Show my eyes I know it's now or never
Ride or die, I let my heart surrender

Rise up out on the fire,
Dancing in the ring of fire.Dancing in the ring of fire.
