

Liberate (Tony Hawk's Underground 2)

Disturbed

B-B-bold motherfucker
Don't you limit your mi-mi-mi-mi-mi-miLiberate your mind
You motherfucker, you're so narrow-minded,
So narrow-minded
So liberate your mind,
Motherfucker, will you liberate your mind
Huh, huh
Liberate your mind
You motherfucker, you're so narrow-minded,
So narrow-minded
So liberate your mind,
Now motherfucker will you liberate your mind,
This timeBold motherfucker
Don't you limit your mind
Can't you see that the pace
Has just fallen behind
All the hate in your heart
Will be leaving you blind
So bold motherfucker
Don't you limit your mind
Now bold motherfucker
Don't you limit your mind
Can't you see that the pace
Has just fallen behind
All the hate in your heart
Will be leaving you blind
So bold motherfucker
Don't you limit your mind
This timeWaiting, for your modern messiah
To take away all the hatred
That darkens the light in your eye
Still awaiting, ILiberate your mind
You motherfucker, you're so narrow-minded,
So narrow-minded
So liberate your mind,
Motherfucker, will you liberate your mind?
Huh, huh
Liberate your mind
You motherfucker, you're so narrow-minded,

So narrow-minded
So liberate your mind,
Now motherfucker will you liberate your mind,
This time? Bold motherfucker
Don't you limit your mind
Can't you see that the pace
Has just fallen behind?
All the hate in your heart
Will be leaving you blind
So bold motherfucker
Don't you limit your mind
Now bold motherfucker
Don't you limit your mind
Can't you see that the pace
Has just fallen behind?
All the hate in your heart
Will be leaving you blind
So bold motherfucker
Don't you limit your mind
This time Waiting, for your modern messiah
To take away all the hatred
That darkens the light in your eye
Still awaiting, I "Out of Zion shall come forth a law
And the word of the Lord from Jerusalem
Nation shall not raise sword against nation
And they shall not learn war anymore
For the mouth of the Lord hath spoken "Waiting, for your modern messiah
To take away all the hatred
That darkens the light in your eye
How long will we be waiting,
For your modern messiah
To take away all the hatred
That darkens the light in your eye? Still awaiting, I Still awaiting, I
