

Bubble Gum

Brigitte Bardot

Aimer toujours le même homme
C'est des histoires à la gomme
L'amour mon vieux c'est tout comme
Du bubble bubble gum

Tu bécilles et tu t'écotes comme
Tu écotes de rire comme
Tu es rose pâle comme
Mon bubble bubble gum

Entre mes bras tu écotes comme
Tu écotes tendre et sucré comme
Tu as perdu ta saveur comme
Mon bubble bubble gum

Si je pouvais t'balancer comme
Mais tu me colles aux semelles comme
Allez va reviens welcome
Mon bubble bubble gum

To always love the same man
It's the story of the gum
The love of my old man it is just like
Bubble bubble gum
You yawn and you stretch yourself like
You burst out laughing like
You are pink pale like
My bubble bubble gum
Between my arms you were like
You tender and were sweet like
You lost your flavour like
My bubble bubble gum
If I could balance you like
But you stick to my shoes like
Leave, return, welcome
My bubble bubble gum
