Love Machine (feat. Billy Griffin)

The Miracles

Advisory - the following lyrics contain explicit language:

I'm just a love machine
And I won't work for nobody but you (yeah baby)
I'm just a love machine
A huggin', kissin' fiendI think it's high time you knew
Whenever I think of you
My mind blows a fuse (baby)
When I look in you eyes
My meter starts to rise, I become so confused
My voltage regulator cools
When I'm sitting next to you
Electricity starts to flow
And my indicator starts to glow, woohI-I I'm just a love machine
And I won't work for nobody but you baby
I'm just a love machine (yeah baby)
A huggin', kissin' fiendI-I I'm just a love machine
And I won't work for nobody but you
I'm just a love machine (yeah baby)
A huggin', kissin' fiendI'm gentle as a lamb,
I'm not that hard to program,
There's no way that you can lose
My chassis fits like a glove
I've got a button for love
That she's got to use
If you look into my files
I am sure you can find out how
To turn me on just set my dial
And let me love you for a little while, woohI-I I'm just a love machine
And I won't work for nobody (but you baby)
I'm just a love machine (yeah baby)
A huggin', kissin' fiendI'm just a love machine
And I won't work for nobody but you(baby)
I'm just a love machine (yeah baby)

A huggin', kissin' fiendI'm just a love machine
I won't operate for nobody but you
I'm just a love machine (yeah baby)
A huggin', kissin' fiend
