

# Movin' In On You

**Julee Cruise**

Say goodbye to her, boy  
Tell her she's through  
    You can't stop me  
If I can't stop myself  
    Don't stop me  
If I can't stop myself  
I'm movin' in on you  
I'm movin' in on you  
You'll never find a girl like me  
    My love is your love  
    Wait and see  
I'm movin' in on you  
I'm movin' in on you  
Say goodbye to her, boy  
Tell her she's through  
    You can't stop me  
If I can't stop myself  
    Don't stop me  
If I can't stop myself  
I'm movin' in on you  
I'm movin' in on you
