

# Ordinary Man

## Breaking Benjamin

Cast away all the enemies of yesterday  
To alleviate all the memories that come our way  
There's a better life now you know that I am on your side  
Your beady eyes burn a hole right through the back of mine  
I am out of time[chorus:]  
I'm an ordinary man  
Like everybody else  
Just a common counter fan  
I'm an ordinary manHesitate while the world is just a step away  
To recreate all the innocence that time can take  
I am wide awake[Chorus]
