

Hypocrite

Jack Off Jill

A hypocrite is one who deals in deceit, lies, and false pretenses
Insincerity is the name of the game
Doing one thing and telling others not to do it is reality for a hypocrite
Well they tell you, they say Jesus saves
Or they tell you, they say "Praise the Lord"
Well they tell you black bible on their back
They're going straight to hell, sinner!
Hypocrite, hypocrite!
Well she loves you, and she says that she loves you
You're faithful, she says "Yeah I'm faithful too"
And well she loves you, the way she says that she loves you
While she's fucking behind your back
Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite
Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite
(You're a cunt, you're a backstabbing cunt, that's right, you're a cunt, C-U-N-T cunt!)

Well your best friend, yeah we all have a best friend
Your best friend says he's no good for you
Well your best friend, but before you can thank her,
His dick is in her mouth!
Hypocrite, hypocrite!
Well she loves you, and she says that she loves you
You're faithful, she says "Yeah I'm faithful too"
And well she loves you, the way she says that she loves you
While she's fucking behind your back
Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite
Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite
(You're a cunt, you're a cunt, you're a two-timing cunt C-U-N-T spells cunt! That's right, cunt)

Well they tell you, they say "Don't do drugs"
Or they tell you, they say "No they're not for me"
But they tell you and you roll up their sleeves and their tracks would ride a train
Hypocrite, hypocrite!
Well she loves you, and she says that she loves you
You're faithful, she says "Yeah I'm faithful too"
And well she loves you, the way she says that she loves you
While she's fucking behind your back (bitch!)
Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite
Hypocrite, hypocrite, hyp-hyp-hyp-hypocrite
Cause hypocrite to me spells C-U-N-T. (Cunt)
