

Empty

The Cranberries

Something has left my life
And I don't know where it went to
 Somebody caused me strife
 And it's not what I was seeking.
Didn't you see me, didn't you hear me
 Didn't you see me standing there
 Why did you turn out the lights
Did you know that I was sleeping
 Say a prayer for me
Help me to feel the strength I did
 My identity has been taken
 Is my heart breaking on me
All my plans fell though my hands
 They fell
 Though my hands on me
All my dreams, it suddenly seems
 Empty
