

Crazy Love

Yard Dogs Road Show

Thank you thank you thank you
I want to take this time to thank you
Light heart, talks so much
Right thread and the best of touch
Crazy love is all I seem to know

Didn't know what I would do
When I had gone and done left you
For Argentina's summers days
In the middle of December

Then my thoughts while on the bus
Or even choosing apple sauce
I think about you day and night
The salty streets of San Francisco

Open hearts as stone
Inbanetra gul?
Love slipped me off me like water will
I didn't think I could feel

Light heart, talks so much
The right thread and the best of touch
Crazy love is all I seem to know

You came along one month before I'm gone
With dancing words and loads of charm
By platoon
Now I'm only one
What have you done?

Light heart, talks so much
The right thread and the best of touch
Crazy love is all I seem to know

Open arms embrace me
Flush cheeks
Grinnin' teeth

Driving me mad

Crazy love is all I seem to know

Crazy love is all I seem to,

Crazy love is all I seem to,

Crazy love is all I seem to,

Know
