Generation Blue

Niia

Have you ever felt so lonely
Where you know your truth
Nothing but a great big nothing
Hanging high is like a nooseOh
I miss the days when I used to cry
Oh
being alone was harder than goodbye
Survive
We keep running like we're born right
I won't stop until we're soft mind
soft mind??
All our list expansive sadness
I'm a junkie for it too
Wearing the same lonely color
We're generation blue
Oh
I miss the days when I used to cry
Oh
being alone was harder than goodbye
Survive
We keep running like cause we're born right
I won't stop until we're saw mine??
soft mind??We're all blue
We're all blue
