

# Right Back To You (SkyWeep Re-Edit)

## Electric Youth

i turn the light on  
and see your pretty face  
i turn the light off  
wishing that i could free space  
i turn away  
and i know you're never far away from me  
so i stay for another daychorus:  
if there's a way  
i'm coming right back to you  
no matter what day  
i'm coming right back to you  
if there's a way  
i'm coming right back to you  
no matter what they say  
i'm coming right back to you i learn to run off  
so i can keep the pace  
and never a moment goes by  
i wouldn't trade for your embrace  
skies of gray  
i know you're never far away from me  
and i stay for another daychoruswon't you stay with me  
won't you stay with mechorus x 2
