

No Ceiling

Eddie Vedder

Comes the morning
When I can feel
That there's nothing left to be concealed
Moving on a scene surreal
No, my heart will never, will never be far from here
Sure as I am breathing
Sure as I'm sad
I'll keep this wisdom in my flesh
I leave here believing more than I had
And there's a reason I'll be, a reason I'll be back
As I walk the hemisphere
I got my wish to up and disappear
I've been wounded, I've been healed
Now for landing I've been, for landing I've been cleared
Sure as I am breathing
Sure as I'm sad
I'll keep this wisdom in my flesh
I leave here believing more than I had
This love has got no ceiling
